

AGRI EUROPE CYPRUS LTD, as a parent financial holding company, consolidates bank assets of our Banking Group, thus representing the leading financial holding company in the region that consists of the following recognised financial institutions operating in the territory of Southeast Europe: Gorenjska Banka, AIK Banka, Naša AIK Banka, MV Investment and GB Leasing.

AEC Banking Group operates with a clear focus to meet the unique financial needs of all clients. It is a growth-oriented full-service financial institution serving businesses and individuals across SEE region, through extensive branch network. Over 1.200 employees provide personal services and full range of relevant financial solutions. The Group is pursuing growth in a responsible and sustainable manner, fostering social and economic well-being in the places where we live, work and give back. As the sound financial institution, dedicated towards sustainable growth and development, by sharing good practice, knowledge and experience and with rational strategic investments, we are focused on further enlargement of our presence and strengthening of our position within regional market and Europe.

To enable us to support our significant growth, our office is currently looking for a motivated and experienced candidate for a position:
